The Goa State Biodiversity Board under the leadership of its Member-Secretary, Dr. Pradip Sarmokadam, has taken a big leap forward for VALUE ADDITION in FRUITS, especially JACK FRUIT. Ms. Sunetra Talaulikar of KVK-North Goa under ICAR-Central Coastal Agricultural Research Institute has given technology support through training with the support of ATMA-North Goa. Ms. Samiksha Chari is the young Project Coordinator under GSBB. Funded under CSR of Goa Shipyard Ltd, a Defense Ministry undertaking.
